### Hi Folks

Having missed the recent **Country Music SA AGM** due to a prior commitment, I thought I'd have a look at the **CMSA website** to check if there were changes to the Committee.

Aha! Updated April 22, 2012

It seems there have been significant developments with additional names on the team.

### Congratulations to the newly elected Committee Members.

I've been informed that **Ray Cockshell** has stepped down as **Acting Chairman**. Special thanks must go to **Ray** for restoring confidence and hope for the future.

The transition from **SACCM (The South Australian Council for Country Music)** to **CMSA (Country Music South Australia)** was fraught with doubt, negativity and despair; however **Ray's** determination saved the organisation from inevitable extinction.

His quest to unite **Country Music Clubs** and to bring **Country Music** into the public arena has surely been a difficult one.

**Ray's** name will go down in the history books of **Country Music in South Australia** along with the many others before him who have taken the initiative to create positive social interaction in our local community.

If you wish to become more involved in shaping the world of **Country Music**, give **CMSA** a call. Contact Chairman – **Danny O'Brien 0488 929 926**

## President's Report

April 2012

G'Day Members & Friends

Well what a great weekend of country music we had. We started off with our **Country Round-Up** on Saturday with some very good talent coming through. All the guest artists were fantastic.

We could have done with more patron support, but those who attended were happy with the excellent day of entertainment.

Moving onto our Sunday show. Another great crowd and great music; we all enjoyed the day. It's been 12 years since our special guest artist, **Stephen R Cheney** last appeared at our club, and his performance was tremendous.

I must thank our band **Kindred Spirit** who performed both days. Well done guys this weekend would be one of the best show's I have seen you perform. A fantastic presentation!

As you know we were without caterers for our club show, so we took on the task to supply you with a good meal at a reasonable price which I think we did.

We couldn't have achieved this without the help of some members putting in, so I would like to thank **Tina, Heather, Tania, Yvonne, Veronica, Grace, Les, Geoff and Keven**. Thank you Ladies & Gentlemen, your assistance was very much appreciated.

Well onto our **May** show. This is another promising show in the making with the **Sherrah's** along with **Christine Sherrah** as our Guest Artist.

Until then. **Keep It Country**
