

That Woz the Day That Woz! 15th April 2012

After a busy day on Saturday **Kindred Spirit** returned to perform a great show on Sunday afternoon.

The dance floor was full from start to finish.

Kindred Spirit must be amongst the best of the best of bands in South Australia. Their new member **Deidre Reed** showed she has such a powerful voice and **Raelz** as usual blew the audience away with her remarkable voice and limitless energy.

Stephen R Cheney likewise, attracted many dancers onto the dance floor, and sang songs by various successful artists.

John Denver and **Daniel O'Donnell** featured strongly with a variety of pop, country and Rock n Roll songs.

Another great weekend of music dancing and meeting up with friends.

Gawler Country Music Workshop Committee

It's quite a challenge to find a suitable venue, provide a full PA system & sound equipment, and organise song books for up to 40 Music Workshop participants.

It's also a challenge to keep a large number of people happy and having fun.

How to give everyone a fair go?

How to give newbies the opportunity to gain experience on stage?

Do we need to update our song books?

It seems some individuals are unhappy with recent changes to procedures.

What is the answer... How do we keep 40 or so musicians feeling that they are valuable members of the Music Workshop?

This is the challenge faced by Raelz, Brenton, Fred, Nan, and Brian.

They have put in their own time and resources to make the workshop successful. Please provide them with your loyalty and support.

Catching up on Tamworth 2012.

"Cactus" Martens from South Australia was presented with the **Lions Club of Tamworth Peel Valley Country Music Community Award in January.**

Cactus has spent countless hours over the years raising funds for numerous charities in the **Port Pirie** district including **Heartbeat, the Cancer Foundation** and **Riding for the Disabled**, said a spokesman for the **Lions Club.**

"When he is not using his talents to assist the local **country music clubs** he can be seen entertaining at senior citizens and "old folks" homes, the **Laura Hospital, CARA Kids Camp** and **Crystal Brooks Possums Club for Intellectually Challenged Adults.**"

Thanks Cactus for your community spirit!

Dot's Spot!

Geography or History?

Some burglars broke into the bank.

One of them pointing his shotgun at the cashier and said, "Give me all your money, or you'll be GEOGRAPHY!"

The cashier laughed and said, "You mean to say 'HISTORY.'"

The burglar answered, "Don't change the subject."..... (Oooh Dot!)
