Hi Folks

Well I've survived the 10 days of silence while Tina was cruising in the Pacific Islands.

My 4 legged friends **Sami and Micky** kept me on my toes with daily 'walkies'. The demanding exercise routine was multiplied by ten as I walked the 500m (meters) marathon around the block.

Getting everything tidied for her return; dishes washed and vacuuming done at the last minute was the equivalent of a series of energetic sprints.

When I looked into the garage and saw the exercise machine, still covered in cobwebs, I swiftly slammed the door shut, locked up, and thought... 'Better not take on too much physical stuff or my physique will be wasting away.'

I don't know about you, but I feel it's a pleasure to experience peace and tranquility now and again.

However, I often set up the stereo system with my bass guitar and saxophone and have a real good blast to blow those forever multiplying cobwebs away. Obviously not from the exercise machine in the garage...

The advantage of Music for me is it does have a nice soothing relaxing effect; however music does have its drawbacks.

I could be mowing the lawn, rebuilding our dilapidated pergola, freshening up the internal and external painting around the house or fixing those leaking taps.

That's what good about retirement; we can do what we want when we want.... That's if your other half is cruising in the Pacific.

President's Report

April 2013

G'Day Members and Friends.

Our April show was another great day, with very good numbers through the door considering the weather was cold and wet.

Murray Mac & True Grit were very good, playing great songs to dance to. **Billy Dee** was our guest artist who also did a good job. **Kevin Merritt** was a walk up for the day. Great job Kevin.

Our May show should be another great day with **Fine Form** and **Graeme Hugo** as our guest artist.

Be early for this one. We are almost ready for our Talent Quest; the 10th of August is the day to put aside. This is always a good day.

We have **Carter & Carter** coming over again in November for their **Taste of Tamworth Show**. More details a little late.

I would like to take this opportunity to send our thoughts to one of our life members' family. **Bill Northcott** passed away. **Bill** and his late wife **Marion** joined our club in November 1993. They would always bring along cakes and biscuit that Marion had made for our trading table. **Bill** played a big part in setting up our workshop some years ago.

Our thoughts go out to his family.

Until next month. Keep It Country
