

## Country Fans Reach for The Sky

When our Country Music Club members take off for a break on the Pacific Jewel Cruise Ship the last thing we would expect is a religious ceremony. However, the song **I Will Follow Him** became a star attraction and the passengers onboard became converted.....

That is; converted to laughter and delight.

Margaret, Ann, Tina, Jess, Margaret, Betty; some of whom are members and regular visitors to our club decided to invade the deck and add a touch of soul.

It turns out that they were a smash hit and they are hoping to be booked to appear as regular entertainers available for functions depending on how busy their diaries are.

### RISOTTO WITH SMOKED HAM

With Sun-dried Tomatoes and Green Peppercorns  
 Ingredients:  
 200 grams 1 cm diced smoked ham Sundried tomato julienne  
 6-8 cups Vegetable stock  
 1 tablespoon olive oil  
 1 large onion finely chopped  
 2.5 cups Arborio rice Green peppercorns  
 (washed in cold water) 1 cup dry white wine  
 1/4 cup grated parmesan 1/2 teaspoon salt  
 1/2 teaspoon black pepper few drops of herb oil

### Method of preparation:

Saute the onion and ham with the olive oil. Simmer until translucent. Add the rice and stir to coat. Pour the wine in the rice, stir with a wooden spoon and cook until absorbed, add the peppercorns. Using a ladle, stir in the hot broth, 1 ladle at a time. Continue to cook (about 17 minutes) until all the broth is absorbed and the rice is creamy but still a little crunchy. Remove from the heat. Stir in the sun-dried tomato and butter, parmesan cheese, rosemary and lemon juice. Season with salt and pepper to taste and garnish with parmesan crisp, and fried basil and serve and arrange as per photo.

## How to Control Husband's Temper

A woman goes to the Doctor, worried about her husband's temper.

The Doctor asks: "What's the problem?"

The woman says: "Doctor, I don't know what to do. Every day my husband seems to lose his temper for no reason. It scares me."

The Doctor says: "I have a cure for that. When it seems that your husband is getting angry, just take a glass of water and start swishing it in your mouth. Just swish and swish but don't swallow it until he either leaves the room or goes to bed and is asleep."

Two weeks later the woman comes back to the doctor looking fresh and reborn.

The woman says: "Doctor that was a brilliant idea! Every time my husband started losing it, I swished with water. I swished and swished, and he calmed right down! How does a glass of water do that?"

The Doctor says: "The water itself does nothing. It's keeping your mouth shut that does the trick...."

## A Note From Dave

Our 2013 Alcheringa Shindig was a great success with nobody wanting to leave at 10-30 at night. I would like to thank all those from the Gawler Club who helped so much before and on the day. It goes to show what can be achieved with cooperation and making country music more entertaining. The Electric Horse

was a big hit with all. We finally made a donation to the Nursing Home of \$1000 and we now have a nest-egg of \$1226 to start the 2014 Shindig.

All moneys held over from 2012 was paid out to the Flying Doctor Service so next year is going to be better again, I hope.

Thanks to all concerned  
**David Williams**

**Dave has announced Gawler Country Music Club is the best Country Music Club in Australia. He is also open about how he has been hurt by some of the negative comments made about his long standing relationship with the Royal Flying Doctor Service.**

**Dave has also revealed that there will be a 60 years in Country Music Event for a VIP in the very near future. Watch out for this special event.**
