Editors Note

Hi Folks

If you are ever sitting at home wondering what to do to overcome those bouts of boredom that some people experience; why not grab a copy of your **Gawler Country Music Club Newsletter**... You know! The old copies that are nestled in a book-case, or lying under your bed covered in dust mites..

If they've been disposed of in your rubbish bin... well I hope you've put them into the **recycle** section so they can be used to good effect by saving trees and contributing to environmental sustainability.

For many, there are few better ways to relax than browsing through 'easy to read' magazines. However, if you are feeling more adventurous why not put pen to paper.... like club member **Caroline McIntyre**.

See Caroline's article on page 8.

C'mon you budding poets and writers....

Help.....!

Your stories are always welcome.

Shall we run a **Writing Competition**?

Do you think a trip to **Kempsey** or **Nashville** would be an adequate incentive?

President's Report

October 2007

G'Day Members & Friends

Well another show has come and gone. **Alison Hams** and **Mark Tempamy** were at there best again with some great songs which kept the dance floor busy.

Our guest artist, **Kristal Collins** is getting better each time I see her, What a great performer she is turning into. Great work **Kristal** keeps it up.

Our walk up artist **Eliza Parker** is a young lady who is attending our workshop and is doing very well.

Chooka Williams also made an appearance and sung a couple of songs. I do apologize to those people who wanted to do a walk up but I ran out of room to put them on.

Our November show is a double header with the **Cabaret** on the **Saturday Night** with the **Cruisers** and on **Sunday** they play as **Wild Card**.

Tickets for the cabaret are available at \$10 . So come along and join in the fun.

Keep It Country.

Best Regards

Keith Warren
