

That Woz the Day That Woz!

'Fasten Your Seat Belts!'

Alison Hams and Mark Tempany's musical partnership is proving to be a great success.

At our **October** show they had listeners hanging onto their seats when their song 'Leaving on a Jet Plane' was cranked up to full throttle and within a few seconds Alison and Mark had the dance-floor buzzing.

The polished and professional performance of the Neil Diamond classic - **She Got The Way To Move Me** went into overdrive with Alison, Mark, Anthony and Paul providing a powerful punchy rhythm to knock the cobwebs off the rafters.

Alison sang **Hillbilly Wild** from her "Daisy Train" album and a gentle touch down resulted in passenger enjoying the Gawler Country Music Club show.

Kristal Collins was at her best. As a young artist she has developed into such a good performer. Live performances are likely to be Kristal's strength in the immediate future, and there is no doubt that her telephone will be ringing constantly in the months ahead. Her 'Kristal' clear voice resounded with that song we all know so well 'Pick Me Up on Your Way Down.'

Chooka Williams appeared from nowhere to sing a few songs... and a good time was had by all.

Hope to see you all again in the near future.

'Oh Yes! We have landed safely!
You may now un-fasten your seat-belts!'

Eliza Loves a Beer?

Eliza the young star in progress performed real Aussie songs at our Gawler CMC October show. She had the audience holding their breath in silence so they could savour the voice of this amazing 9 year old girl.

Dad Daryl explained that Eliza has had only a handful of singing lessons. He said Eliza recently appeared at Mildura singing in cafes, hotels, clubs and the Apex Caravan Park.

She had performed from 8am 'til 9pm. Then after singing 'The pub with No Beer' dad Daryl had to say... 'OK Eliza.... You've had enough! Time for bed!'

The Best of Stan Coster Vol 1

Marking the 10th anniversary of Gidgee Records is the release of digitally re-mastered Stan Coster favorites all on one new CD.

Stan Coster is undoubtedly one of Australia's finest Bush Balladeers and songwriters.

Many of his songs have been recorded by Slim Dusty, but his own recordings have earned him a place of his own in the history of Australian Music.

Some of the songs included on **The Best of Stan Coster Vol 1 Album** are, Fire of Gidgee Coal, Three Rivers Hotel, You Can Never Do Wrong, Catching Yellow Belly, Coley, Give my regards to Edna, Lawson's Loaded Dog, Just a Little Girty, Plain Australian Bushman, Whoa Bullets Whoa, and many more

Stan's songs have captured the unique characters, and amusing tales of an Australia culture that is slowly disappearing.
