## It's Not Long Now!

As the festive season approaches the planning for celebrations and family gatherings begin. Those who spend this time of year alone, please do take comfort from the fact that others do care about you. Come along to our next show!

Now is the time to dig out your old copies of **Gawler Country Music Club newsletters** and reminisce about the pleasant events of the recent and distant past. You What! Threw them out! C'mon!

If you know of others who would value the opportunity to spend time with the company of friends. Give them a call and invite them to spend some time with us at our Christmas Show! Loneliness can be an unpleasant experience, and that is one of the good things about our **Country Music Clubs**. You do have friends!

Our country music clubs are not only about the music, the artists and the dancing! They are about meeting people, developing friendships, sharing interests and spending pleasant time together.

If you need cheering up, just think about the Editor's Vacuum Cleaning experience in last month's newsletter...

**'Laugh! I've never laughed so much for ages...'**

If you wish to pass seasonal greetings on to others via our newsletter, please email your short note to The Editor (Me).

Oh! And if you see any **Moose Warriors** or **Bears** roaming the streets in your local area... Give them a smile and say....

**G'day!**

Then run like h-ll!

## President's Report

October 2011

G'Day Members & Friends

Another great day has slipped by with a great attendance. **Charlie McCracken and his Band** played a great mix of music some old some new. A great day was had by all.

I am trying to put together the **Balladeer's Show** suggested by club members at our recent AGM... The proceeds will go to a local artist to help in their career development. This show will replace our annual **Slim Dusty Tribute Show**.

Over the eight years we have presented the Tribute Show, we have donated nearly \$14,000.

We will continue with our BBQ fund raiser's to help with the finance's to put this show together. So keep a watch on our newsletter. There will be a lot happening next year.

Well onto our **November Show**. **Trev Warner and Country Junction** are our band so I would suggest you get in early as this could be a full house show.

Until then.
