

That Woz the Day That Woz! 6th October 2011 (Oops! Same date as last month)

Charlie McCracken & Band

Charlie McCracken and his Band provided an enjoyable day of entertainment and dancing. Noticeably it was the more up-tempo music that attracted people onto the dance floor.

Songs such as Blue Blue Day and kiss an Angel Good Moming were featured in their repertoire along with Charlie's own song Woman, Sensuous Woman.

A good sized crowd. Several comments were made regarding the catering on the day. As usual, time flies when we are enjoying ourselves.
