Hi Folks

Isn't it great to enjoy Country Music and to experience the friendship and the goodwill that goes with it? However, I need to let readers and CM Clubs know that the band I played with for four years, **Kindred Spirit**, folded some months ago. Our final CM Club Gig was at this club.

It turns out that a newly formed local band is attempting to pass themselves off under the same name. **Don't be taken in by this selfish scam. Caveat Emptor! Buyer Beware!** Enough said.

There is much going on locally behind the scenes of country music in South Australia; here's hoping it all works out for the better.

I suggest artists who are in the early stages of your career, and seeking to gain experience performing on stage, contact **Keith** our **Club President** to request a time slot. **If at first you don't succeed, Try Try Again.** Be persistent... I will back you up all the way! Our Music Workshop may also be of interest for those wishing to gain experience.

While on the subject of goodwill; if any club members or visitors to our club have something to say in the way of advice, criticism or comment, please talk to our Committee members. We welcome your honest feedback as it helps our successful club to continually improve.

Recent information has been circulating which may be an attempt to damage working relationships between SA Country Music organisations. If you know of anyone spreading malicious rumours, please let our committee know who the rumor mongers are. It appears that some individuals can't distinguish between deceit and the truth. Please be on guard.

Let's keep Country Music honest!

In my book honesty is the best policy; yes even if it sometimes hurts.

President's Report October 2013

G'Day Members & Friends,

Well not long to go now till Christmas.

Our October show went off well with a very good crowd. **The City Cowboys** played great music all day and kept the dancefloor very busy. Well done guys thank for the great day.

We had a bit of controversy over the booking of seats for the day, we have discussed this at our committee meeting, and the results are printed on page 3.

I hope this will put it to bed once and for all. Don't forget the committee members are all volunteers trying their best to please everyone.

Moving onto our November show we will have **Charlie McCracken and Band with Malcolm Doyle** as our guest artist. This will be another good show, so why not come along and enjoy the day.

Until then,

Keep It Country
