

That Woz the Day That Woz!

Elizabeth RSL Club is Alive With the Sound of Music

At Elizabeth RSL Club, *Mustang Country* was the band to appear at the September *Eastside Country Music Shindig*. The event is a fundraiser for the *Gawler CMC Country Music Workshop*.

There were many local events happening on that day and with the Mildura Festival attracting many fans, however the attendance was reasonable.

Mustang Country had a couple of new faces, and due to a health scare, there was a quick change-over of vocalists. **Honi** had taken a severe dizzy spell and **Nan** stepped in to keep the show swinging along. **Honi** returned once she settled and all went well. Good teamwork folks! The band has an impressive sound, and the occasional harmonies were impressive. They sang **Happy Birthday** 5 times, so I guess this was a very special day!

The band performed some great numbers and the walk up artists joined in to add to what was a pleasant afternoon's entertainment.

Thanks to **Mustang Country, Nan, John, Deidre, Roger and our new Committee Member Tash** for your presence, and we hope to see you all again soon, keeping it country!

At our regular monthly club event **The City Cowboys** put on a good show as usual, keeping the dance floor busy for most of the very hot day.

The versatility of the band shines through, and when the harmonies kick in it is a pleasure to listen to their music.

We hope to see you along next year.

Dot's Spot!

Four 4 Worms in Church

On Sunday a minister decided that a visual demonstration would add emphasis to his sermon.

Before the sermon started, **4 worms** were placed into four separate containers.

Worm no.1 was put into a container of alcohol.

Worm no.2 was put into a container of cigarette smoke.

Worm no.3 was put into a container of chocolate syrup.

Worm no.4 was put into a container of good clean soil.

At the conclusion of the sermon, the Minister reported the following results:

Worm no.1, in alcohol ...Dead!

Worm no.2, in cigarette smoke ...Dead!

Worm no.3, in chocolate syrup ...Dead!

Worm no.4, in good clean soil... Alive!

So the Minister asked the congregation, "What did you learn from this demonstration?"

Maxine, who was sitting in the back, quickly raised her hand and said,

"As long as you drink, smoke and eat chocolate, you won't have worms!"

That pretty much ended the service!
