Editors Note

It's not every day that we hear exciting good news. However, when something breathtaking happens **Gawler Country Music Club** is always interested.

You will have realized by now that I have a personal interest in assisting and promoting young people in **Country Music**.

Well, like all initiatives there are implications, impacts and consequences ...

How's this for fairy tale magic!

A young man and young lady meet in **July** at **Gawler Country Music Club**.

They have a few dances...

In **August** they appear together again... have a few dances and remain in each other's company.

A couple of weeks later at **Ian List's SACCM Fundraiser at One Tree Hill...** yep! They are seen together again... Even a blind person can sense something's in the air...

Next weekend at the **Gawler Country Music Workshop** coordinated by **Fred Payne** and **Brian Moore**...they are again seen together. This time both wearing colour coordinated jackets. **Wow!** This would make a good story for our Newsletter!

A whisper in my ear tells me they are **engaged to be married!**

Well blow me down!

The wedding is arranged for **November** this year... Talk about a whirlwind romance... **There's more to Country Music than meets the eye!**

Young people... Country Music is Magic!

President's Report

Sept 2009

G'Day Members & Friends.

Well here we are at the end of September.

Where has the time gone? Our 6th **Slim Dusty Show** was one of our best.

Ian List and Side Kicks were great on the day. A big thank you to **Ian** for his help coordinating each artist's performance.

Our artists **Olive Bice, Cactus Martens, David Croser** and **Greg Semmler** all did a great job with a good mix of songs.

I don't know where we will go from here... but stay tuned.

Well onto our October Show. We have **Carol Sturtzel and Wild Oats**. **Carol** has not been at our club since our first Festival, it will be great to see her back again. So until then.

Keep it Country
Regards

Keith Warren
