Time will Tell

Just letting you know that **Live Entertainment is coming to the "Rosewater Social and Sports Club"!!** 38 McGregor Tce, Rosewater, (off Grand Junction Road)

Country Music followers will soon have the opportunity to enjoy some great Soloists.

The Club is hoping to organise regular Live Entertainment events by starting out with monthly shows to see how well mid-week shows will be attended. **No entrance fee** will be charged for the first two Thursday night shows, when superb Bistro Dining will be on offer.

We forecast that **Thursday September 30th** with **Terry Wayne** (Pictured) from "Cobbers and Co," will go well with a fabulous mix of "Songs Through the Decades" from 1920's - 1990's.

Maryanne, from the former band "Maryanne and Co" delights her audiences with her lovely strong voice, and is locked in for the **Thursday November 25th** show. She has her very professional Backing Tracks to support her.

Sunday October 31st offers a "Halloween Special" with **Warren Johncock's band "Midnight Special"**, This promises to be a great fun day, as Warren thrives on Theme shows!! This is the club's only "Country Music" show likely to be on a Sunday, and as 2011 unfolds, days such as "St Patrick's Day", "Valentines Day" etc maybe happening depending on what day of the week these fall on.

The Club has a nice atmosphere, an excellent Cook with a good range on his Bistro Menu, including some very tasty Italian dishes mmmmm!!

The **Rosewater Social and Sports Club** is hoping to attract enough patrons so as to book 4 piece bands in 2011. As the saying goes, "Time will tell."

Just a Thought From Bill Northcott!

An Adelaide city boy was on his first camping trip to Burra.

He was eating his lunch under a tree when an old-timer came along.

'It smells like rain,' he said to the boy.

The Adelaide boy replied, They said 'It's lemonade.'

Chooka Inducted!

Induction into the **SA Country Music Hall of Fame in Barmera** is an honour.

We have had two of our well known **Country Music** celebrities recently sharing in the experience.

Anthony Stewart of **Red Brick Music Recording Studio** with his **Little Moment...** and now **Chooka Williams** (the **Scarlet Pimpernel** returns).

We see him here we see him there... Here... **Chooka** proudly displays a hand drawing by **Robert McMahon**.

Good likeness!

If **Robert McMahon** cares to send in a bio and pic... **Gawler Country Music Club** will be happy to provide you with some free publicity **Robert.....**

Congratulations Chooka on your induction into the **SA Country Music Hall of Fame**. We hope you call in to see us again sometime soon.

Dot's Spot!

A Gawler pastor noticed a very small boy trying to press a doorbell on a Cowan Street house across.

However, the boy is very small and the doorbell is too high for him to reach.

After watching the boy's efforts for sometime, the pastor moves closer to the boy and, placing his hand kindly on the child's shoulder leans over and gives the doorbell a solid ring.

Crouching down to the child's level, the Gawler pastor smiled benevolently and asked, "And now what, my little man?"

To which the boy replied, "Now we run!" **Dot Burke**

Thanks Barry!

Barry Warren recently departed from our **Gawler Country Music Club Inc. Committee**

His lifelong commitment to Junior Footy Clubs has resulted in little time for relaxation.

So **Barry** will now put his feet up....

Barry was always available to provide guidance and constructive criticism on important **Gawler CMC** issues in addition to handling the club's financial accounts now managed by **Louse Vardon**.

Thanks **Barry** for donating you time and commitment.

Best wishes for the future
