Editors Note

Hi Folks

Firstly please accept my apologies for getting in your way on the dance floor at the **Slim Dusty Tribute Show**.

While attempting to take photographs of performers for **this month's Newsletter**, I bumped into dancers, had my feet stamped on and received some very unwelcoming scowls...

But hey! Wasn't it a good show?

If you would like to give us some feedback on what you thought of the show; please let us know. I'll put it into our next Newsletter.

We are now slowly approaching the warmer months of the year. Sunshine, Shorts and Slip, Slap, Slop!

Deep concerns about water shortage... climate change... and apprehension on 'What if...' will no doubt become a regular topic of discussion.

Last year **Australian Poet Murray Hartin** wrote on the subject in his poem...

'Rain from Nowhere'.

Murray/Muz has kindly given permission for **Gawler Country Music Club** to include 'Rain From Nowhere' in this months Newsletter.

Thanks Muz!

President's Report

September 2007

G'Day Members & Friends

Well what a great day we had for our **September 4th Slim Dusty Tribute Show**. The seating went well with our ushers and usherettes escorting visitors and club members to their seats.

Murray Mac opened the show with some great songs.

Slim Connor and bass player **Doug** was the first act on stage and as only **Slim** can do... he had everyone laughing and clapping along. **Matt Manning** was our new artist for this year and what a great guy he is; heaps tall to go with it.

Tom Maxwell came on and did a wonderful job as always.

Last but not least was **Amos Morris** who has a big following here in SA, finished the show.

Our **Slim Dusty Tribute Shows** a major part of our annual calendar and they are getting better each year.

Another great show is lined up for next month with **Allison Hams & Mark Tempany**, with **Krystal Collins** as our special guest. Until then....

Keep It Country.

Best Regards

Keith Warren
