

The Carters Come to Town

Carter & Carter are coming to town to provide budding musicians with advice on how to cope with the tasks and procedures to become more successful in the music industry.

Carter & Carter launched their new album 'Leap Before You Look' at Tamworth on January 25th.

'Run Away', the song released in conjunction with their album Leap Before You Look also reached the national #1 position on the Country Tracks Top 30 giving Carter & Carter their 7th #1 hit.

Having done all of this as independent, self managed artists; it is not surprising that Carter & Carter are now providing advice to Australian 'Country Musicians'.

Come along to the **Gawler Country Music Workshop** on 3rd November organised jointly by **Gawler Country Music Workshop, Gawler Country Music Club and Junior Country Crossover**, and conducted by **Carter and Carter**

If you have concerns about anything happening in your **Gawler Country Music Club**, please do bring it to the attention of your committee.
