Hi Folks

With warmer weather and a change of government upon us, the end of this year could become full of surprises.

Maybe Tony Abbott will swap his bike for a horse, or perhaps he'll redirect the carbon tax moneys towards supporting our Country Musicians.

As the saying goes... 'Pigs will fly!'

Now that we're moving into spring and summer, outdoor activities are likely to become more popular. Wouldn't it be good to see the initiative of Country Music organizers in SA taking positive steps towards working together to arrange a special outdoor event?

Dave Williams has the right idea.

However, maybe an outdoor venue more central to our Country Music Clubs would be the go!

What do you think?

I'm sure there are sponsors out there who would be willing to become involved.

What an opportunity it would be to promote their goods and services, and to involve the local community more directly with Country Music.

Songs, music, horses, cowboy hats, sparkling costumes, market stalls, big crowds, clowns, amusements, spectators, exhibitions, fun, active displays, busking and an atmosphere buzzing with energy and happiness.

However, there is an essential item missing... That is ...unless you take the initiative...

If you are friendly with Tony Abbott; perhaps he'll help out too! Yeha!

President's Report September 2013

G'Day Members & Friends,

Our September **Balladeers Show** went off very well. With our numbers down slightly due to the many other events taking place on the same day. We were still able to have great fun.

Our own **Angela Eason** had learned some new Balladeers material for the show which was well received. Thanks **Angela!**

Kathy and Jimmy Chaplin came over for the show a day early and visited our **Open Mike** on the Saturday. They also performed very well at the Sunday show. **Kathy** being a Yodeller always goes down very well.

Not to leave **Bernie & The Bandit** out; they also did a great job.

Well moving onto our next show, when we will be entertained by the **City Cowboy's**. This will be another good day. So until our next show.

Food for Thought

Why doesn't Tarzan have a beard?

Why does Superman stop bullets with his chest, but ducks when you throw a revolver at him?

Why do Kamikaze pilots wear helmets?

Whose idea was it to put an 'S' in the word 'lisp'?

Is there ever a day that mattresses are not on sale?
