Heart of Blue

Gawler Country Music Club is actively involved in providing assistance to young artists and it's a delight to see them visiting our monthly shows to enjoy **Country Music.**

For a number of reasons young artists often go un-noticed and un-recognised. We have young artists almost on our own doorstep who deserve recognition for their talent, persistence and enthusiasm.

One such person is **Brendon Liley** who celebrated his 21st Birthday a couple of weeks ago. **Brendon** has appeared on stage with the local band **Kindred Spirit** on several occasions...the link being.... band vocalist **Steve Liley... is Brendon's Dad.**

If you've been fortunate enough to have heard **Brendon** sing on stage or at the **Gawler Country Music Workshop** you will know that he has an exceptional talent.

He has a voice which is pure and distinctive and when the audience shouts... **'More... More'** almost every time he appears on stage... This must be a sign that his voice is truly something special.

Brendon's CD **'Heart of Blue'** demonstrates his talent as a top grade vocalist. The musicians on his CD complement **Brendon's** special gift...the CD is one every **Country** fan should have in their music collection.

It's happy, it's serious it's entertaining and it's... **first-class!**

Wally Sparrow... Radio Adelaide 101.5 FM Country Brekky 6am to 9am Saturdays has recently played a few of **Brendon's** songs which sure have attracted the attention of many of **Wally's** listeners.

Brendon is no stranger to public appearances in New Zealand and South Australia. He has performed at many charity events, large and small and at a **Coca-Cola Christmas in the Park** show he sang to an audience of **200,000.**

The title track on **Heart of Blue**, a song written by **Brendon** at the age of 17, is an excellent example of his talent as a song writer and as a polished performer.

It is very likely that **South Australia** will be hearing much more of **Brendon Liley** in the near future.

Brendon Liley

Brendon admits to being influenced by artists such as **Garth Brooks, Dwight Yoakam, Kenny Chesney** and other well known **Country** artists; however, he has been known to cross the line into other genres including **pop, jazz and R&R.**

Brendon is appearing at **Kindred Spirit's New Year Show** at **Munno Para Bowling & Community Club** this **December. Don't miss it!**

If you want a special treat with a mix of 60/40, R&R and your favourite oldies... tickets are available at the club.

\$10.00 pp for a Special New Year Party...! Don't miss this show. It will be outstanding. Book Now! It's only a few weeks away!

Celebrate this New Year with friends!
