## How Women Were Created Behind the Scenes

God said, 'Adam, I want you to do something for Me.'  
Adam said, 'Gladly, Lord, what do you want me to do?'

God said, 'Go down into that valley.'  
Adam said, 'What's a Valley?'

God explained it to Him. Then God said, 'Cross the river.'  
Adam said, 'What's a River?'

God explained that to him, and then said, 'Go over to the hill...'  
Adam said, 'What is a Hill?'

So, God explained to Adam what a hill was.  
He told Adam, 'On the other side of the hill you will find a cave.'

Adam said, 'What's a cave?'

After God explained, he said, 'In the cave you will find a woman.'  
Adam said, 'What's a Woman?'

So God explained that to him, too.  
Then, God said, 'I want you to reproduce.'  
Adam said, 'How do I do that?'

God first said (under his breath), 'Geez.....'

And then, just like everything else, God explained that to Adam, as well.

So, Adam goes down into the valley,  
Across the river, and over the hill, into the cave, and finds the Woman.

Then, in about five Minutes, he was back.  
God, his patience wearing thin, said angrily, 'What is it now?'

And Adam said....

'What's a headache?' Sent in by KK

Hi Folks

Thanks to **Brian and Les** for writing good articles on the Weekend we had at Berri.

Due to ill health **Maureen Green** has had to step down from the **Gawler Country Music Club Workshop Sub Committee**. On behalf of the **Gawler Country Music Club Committee** and the **Workshop Members** I would like to thank **Maureen** for her valued time spent on the Sub Committee.

**Maureen** has offered her services to carry on collating the workshop music books which she can handle doing at home, so thank you again for that as it takes a long time to put the books together.

The **Workshop** has now been going for just over **four years** and is still going strong with good attendances averaging **thirty five** people and the highest was fifty six.

As the interest of running another **Weekend Away Workshop** is highly supported, we will look at running another one next year.

Les still needs more support from the **committee and members** of the **Gawler Country Music Club**, as he still has to gather most of the information that goes into the news letter himself, which he does a great job of, but let's not take it for granted that the news-letter is always just going to happen. It is a great news-letter so let's all get behind him to keep it that way.
