Hi Club Members and Friends

On Saturday 21st August 2010 we lost our friend and country colleague **Clive Fossleitner**.

A perfect gentleman and a friend to many, **Clive** always showed ultimate respect for everyone. He was a regular at the **Gawler CMC Music Workshop** and recently joined our **Gawler Country Music Club** as a **Committee Member**.

R.I.P Clive...

Our thoughts are with you...

....**Thanks** to those who contribute to our monthly newsletter. This edition contains limited feedback on our **2010 Talent Quest**. Full details next month. You may notice that more events and flyers are now taking up a considerable amount of space in our newsletter. In some ways this makes by job much easier... Less material to source!

However, each month I have to make decisions on what to include and what not to include...

If you have submitted material and it is not included; please do not be discouraged.

I and our Committee have to take into account the ongoing interests of our **Gawler Country Music Club** members.

If you have any concerns about our newsletter please drop us a note via our **Club President Keith Warren** and your comments will be discussed at our next monthly club committee meeting. Sadly, one of our new team members will be missing.

Thanks to everyone for your ongoing support.

President's Report

August 2010

G'day Members & Friends

Our August show started with our AGM. Thank you to all club members for taking the time to attend. Not much has changed. **Barry Warren** has decided to stand down after a few medical problems this year. **Thank Barry** for your support.

I would like to welcome to our committee **Allen Prow**.

Sadly... newly elected Committee Member **Clive Fossleitner** has since... passed away.

I would like to thank club members for making **Helen and myself Life Members**. It is certainly an honor.

Well onto our regular monthly show. Another good crowd. **Top Dead Centre** was our band with **Danny Hooper** our guest artist. Well done guys another good day.

Our September show is the big one, **The Slim Dusty Tribute Show**; this show is almost sold out. So you'd better hurry and purchase your tickets.

Until our Tribute Show... **Keep It Country**
