Movers and Shakers?

On Wednesday the 10th August 2011 SACCM became officially re-registered and is now recognised under its new name 'Country Music SA Inc. (CMSA.)'

I'm sure you will agree that any attempt to promote Country Music and unite Country Music Clubs is good for Country fans. Providing opportunity for our artists to participate in live performances and in recording sessions is also good for us Country Music fans; providing choice and supporting our economy.

Many years ago economists forecast that as automation in industry became more widespread, job opportunities in manufacturing industries would lessen; and as a result the Leisure Industry would grow and create new opportunities. How true. Well kinda true!! If we got our act together!

Those who know me well enough are aware that I express myself openly and honestly and sometimes without tact. Well here goes!

Good Communication is essential for success in the Country Music Industry! However; I see widespread huge gaps in communication throughout Australia.

C'mon Country Music Movers and Shakers! Get your act together! Bring opportunity to South Australia!

President's Report

August 2011

G'Day Members and Friends,

We started our August show day with the AGM. Not much has changed. It is the same committee with one new member. I welcome **Crystal Antoniazzi** onto our committee. It's good to have a young person with some fresh ideas.

Well Sunday was another good day with the band **Urban Sound**. Although only a two piece band, they still played some good music.

Well our September show is our **Slim Dusty Tribute Show**. Tickets are selling well as always. This will be our last tribute show. Club Members decided at the AGM that we now support our local artists. Watch out for more news on this.

Well we have just run our second **Talent Quest** and it all went well. More details in the Newsletter. So until our September show.

Keep it country

'Thanks James!'

On behalf of the **Gawler Country Music Workshop** and the **Gawler Country Music Club**, our committees wish to thank **James Cruz** for his time and commitment as part of the **Music Workshop Subcommittee**.

James has been a great help and **Raelz** will miss him providing guitar backing for her students having singing lessons.

Sadly due to other commitments **James** has had to resign from the subcommittee and I will certainly miss him as he was so efficient in helping to set up and pack up.

'Thank you James'. We wish you all the best for the future.
