

The CD That Jack Vidgen Built...Yes I Am!

OK he isn't a **Country Music** singer but Aussie Jack Vidgen is set to become a superstar. If it wasn't for **Australia's Got Talent** it is unlikely this talented young 14 year old would be known outside of his own local community.

Australia has Got Talent and it's up to us to show the rest of the world that this is so.

Hailing from the Sydney's northern beaches, Jack was always determined to perform. Starting at the very tender age of 3, it wasn't until 11 years later that Australia got a taste of his truly magical talent when he stepped on to the stage at this year's Australia's Got Talent auditions.

Our search for talent in South Australia at the moment seems to be focused on Master Chef!

We should all take a page from 14 year old Jack's book... and the **Country Music Industry**,

particularly in **South Australia** needs a bullet up its jackside to make it move.....

Highway 109 submitted by Leoni.

A drunk man in an Oldsmobile
They said had run the light
That caused the six-car pileup
On 109 that night.

When broken bodies lay about
And blood was everywhere,
The sirens screamed out eulogies,
For death was in the air.

A mother, trapped inside her car,
Was heard above the noise;
Her plaintive plea near split the air:
Oh, God, please spare my boys!

She fought to loose her pinned hands;
She struggled to get free,
But mangled metal held her fast
In grim captivity.

Her frightened eyes then focused
On where the back seat once had been,
But all she saw was broken glass and
Two children's seats crushed in..

Her twins were nowhere to be seen;
She did not hear them cry,
And then she prayed they'd been thrown free,
Oh, God, don't let them die!

Then firemen came and cut her loose,
But when they searched the back,
They found therein no little boys,
But the seat belts were intact.

They thought the woman had gone mad
And was traveling alone,
But when they turned to question her,
They discovered she was gone.

Policemen saw her running wild
And screaming above the noise
In beseeching supplication,
Please help me find my boys!

They're four years old and wear blue shirts;
Their jeans are blue to match.
One cop spoke up, They're in my car,
And they don't have a scratch.

They said their daddy put them there
And gave them each a cone,
Then told them both to wait for Mom
To come and take them home..

I've searched the area high and low,
But I can't find their dad..
He must have fled the scene,
I guess, and that is very bad.

The mother hugged the twins and said,
While wiping at a tear,
He could not flee the scene, you see,
For he's been dead a year.

The cop just looked confused and asked,
Now, how can that be true?
The boys said, Mommy, Daddy came
And left a kiss for you.

Highway 109. Cont from Page 4

He told us not to worry
And that you would be all right,
And then he put us in this car with
The pretty, flashing light.

We wanted him to stay with us,
Because we miss him so,
But Mommy, he just hugged us tight
And said he had to go.

He said someday we'd understand
And told us not to fuss,
And he said to tell you, Mommy,
He's watching over us.

The mother knew without a doubt
That what they spoke was true,
For she recalled their dad's last words,
I will watch over you.

The firemen's notes could not explain
The twisted, mangled car,
And how the three of them escaped
Without a single scar.

But on the cop's report was scribed,
In print so very fine,
An angel walked the beat tonight on
Highway 109.
