Hi Folks

The 2012 Ultimate Country Music Talent Quest organized by Gawler Country Music Club has become the event by which to set the standards for future Country Music events in South Australia.

With a sizeable number of contestants and good prizes, the ultimate prize was a record deal with Red Brick Records.

This event was entirely self funded by Gawler Country Music Club; the only additional financial support provided was from our Club Members and Event Sponsors ... i.e....

Music Corner, Alby Turner, Repair Force One, Allington's Outpost, Blue Dog, Attitude Voice Works, Robyn McIntosh, Denise and a number of anonymous donors.

The good work of our Sizzlers cannot go unnoticed, as they too raise significant funds to keep our club's activities well oiled and running smoothly.

Thanks to all Committee Members for your patience and input over the years. Without you it is unlikely that the Northern Suburbs would have the opportunity to enjoy regular entertainment and dancing while also providing opportunity to S.A. artists.

A special mention and recognition must be given to Club President Keith Warren.

As a first class team leader, with pleasant communication skills, ongoing initiative and an ability to keep a good team together, he is a man in a million.

Thanks Keith!

President's Report

August 2012

G'Day Members And Friends

I will start this month's report with feedback on our Talent Quest.

I would like to thank all of our contestants for their efforts in being part of a great show. The judges had a very hard time arriving at their decisions. Our ultimate winner of the Red Brick recording was Kym Wilson from Mt Gambier. Congratulations Kym.

We held our AGM this month and we have the same committee with two extras. I would like to welcome Veronica and David to the committee. I would also like to apologize to a couple of people whom I forgot to thank for their help, Tina Chapman's and Roz Edwards. Thanks ladies for your help. Well onto our show Midnight Special was great. Warren Johncock doesn't stop; when he is not playing he is asking trivia questions and giving little prizes. Well done guys we had a great day.

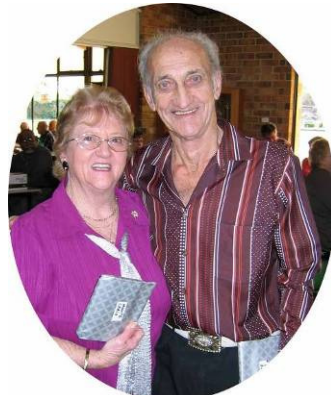

Moving on to September It was suggested at last year's AGM that we run a Balladeers Show in place of our Slim Dusty Tribute. Well we have organized some great artist to appear at this show and the proceeds will go towards assisting a local artist or artists.

So come onboard and support your local's. See you at our Grand Ole Balladeers Show.

Until then. Keep It Country

How Times Have Changed with Modern Technology

I was visiting my daughter and son-in-law last night when I asked if I could borrow a newspaper.

"This is the 21st century, you are old fashioned!" she said. "We don't waste money on newspapers. Here, you can borrow my iPad!"
Well, I can tell you, that bloody fly never knew what hit him...
