Hi Folks

Much of this month's newsletter is taken up by information regarding our recent Talent Quest. The quality of talent was there for all to enjoy, and the event was another great success for our club and everyone involved.

Gawler Country Music Club, our Committee, Club Members and our Sponsors have contribute much in time, effort, and finances to make the event something special; and to provide opportunity for developing artists. We hope contestants go on to build upon their experience, and develop their musical careers.

We are now looking to further develop our Talent Quest Initiatives and look forward to working more closely with other Clubs and organizations. If you or your organization wish to become involved, please contact our Club President Keith Warren to express your interest.

We have additional new Members to our Committee as announced in Keith's report and the future is looking good.

Our AGM was well attended and a number of changes have been made in connection with entrance fees and the price of tea and coffee. Keith our President will cover these issues in our next newsletter.

Let's keep the wheels in motion and make progress by encouraging open and constructive communication in Country Music.

Your contributions to our monthly newsletter are always welcome.

President's Report

August 2013

G' day Members & Friends

Well our Talent Quest went off very well, although we would have liked to see more Juniors take up the challenge. Our senior Section went off very well. We also had a few more people come along to watch and enjoy the show. The night show with **Heartland** was also great, with some of the Talent Quest contestants joining the band on stage. A great day was had by all.

Moving onto our Sunday show. We started off with our A G M. It is the same committee as last year with 3 new committee people. **Helen Payne Tash Higgins and Leanne Clarke** they have all have come on as **General Committee Members**. Well moving onto our Club show **The Black Hats** were fantastic and the dance floor was busy all day.

Our Guest artist was **Trev Warner** who played some great number on the Fiddle We must say a big thank you to all of those people who braved the cold and wet weather to come along and support us; it was a great day.

Well our September show is set to be another great day, it's our **Balladeers Show. Bernie & the Bandits** is the band with **Kathy & Jimmy Chaplin** and **Angela Eason**.

Until then
