FROM THE PRESIDENT'S MESSY DESK

Welcome to the August newsletter. Once again it seems like we've just done the last one, but I have been assured by Jolly Roger the treasurer that all days delivered to us have had the required number of hours attached. He assures me he's been checking them all from the hammock as they arrive!

August is turning out to be another very busy month. The next club show on the 18th should be another great one with Midnight Mountain Blue all the way from.....Roseworthy!

Our second Variety Concert is also coming up on the 31st, and promises to be a terrific show. We've packed even more in for your \$3 admission so come along and bring those friends and family. We may even fill the Institute - wouldn't that be great!

The Festival organisation is coming along nicely. This is going to be an excellent value for money weekend so please help out by promoting it to friends, family, etc. Pick up some flyers at the club shows and put one on your car window, ask to stick one up in shops that you patronise, leave one behind when you visit friends, hide some between the magazines in the doctor's waiting room, etc, etc. Be creative and let's see who can come up with the best promotion - remember every little bit helps and you don't have to be a committee member to help promote our Club and Festival.

We are currently reviewing membership. There appear to be a few subs unpaid and we will have to stop sending newsletters to those people. If you don't receive a September newsletter - that's why. Current membership Cards have an expiry date of 31 March 1997. If yours doesn't, please speak to Ann-Marie Holt at the Club Shows or call 08 263 8221 because we don't want to lose you!

Please remember that contributions to the newsletter are very welcome. Reviews of shows and festivals you've been to recently, recipes, etc can be handed in at the Club Shows. So - until next time, keep those feet tapping and keep smiling - it makes people wonder what you've been up to!

OUR JULY SHOW

I think we set a record this month - we started on time! Mind you we still finished late. Our band for the afternoon was Murray Mac and True Grit who were great as usual.

We had a full afternoon of walk-up artists. First up were the "Colonial Cloggers". Everone loved them, but they made you feel exhausted just watching them!

Chris Worbey paid us a visit and was very well received. By the way, Chris will be releasing an album at the beginning of 1997 which will feature some of her own songs, so watch out for it.

Peter Tomlinson had the audience shouting for more. "Misty Mountain" are always well received, as was Jodie Thomas who has come a long way since the days of standing on a chair at "Emily's" in the club's early days. Her cousin Kelly made only her second appearance in front of an audience and did a great job.

The afternoon finished off with Dennis Verran who is a favourite with Country Music followers.

We also had two more walk-ups "raring to go" but we just ran out of time.

RECIPES BY GORDON BLUE

I have been told by many of our members that since including recipes in our monthly newsletter their eating habits have changed - for the better I hope. So with this in mind, I have decided to give you the recipe inspired by Saint Pudding of Yorkshire.

Hence the Yorkshire Pudding.

History books will tell you that before sailing from England, Captain Cook asked his missus to cook up a few ton of the pudding for him to take with him on his trip to find Australia. It would help to feed the crew, and if he arrived on a weekend he may get invited to a BBQ, and he would have something to put on the table. He also found that if the ship "sprang a leak" a piece of pudding nailed over the hole kept it watertight!

INGREDIENTS

150g Flour, 1 large egg, 300ml milk, beef dripping and a pinch of salt.

Sift flour and salt into a bowl. Make a well in the centre. Tip egg (minus shell) and a little milk in and beat well, gradually incorporating the flour and adding more of the milk as necessary until you have a smooth batter.

Allow to stand for 30 minutes.

Place a tablespoon of beef dripping into a roasting tin. Set gas oven at Mark 7 (220 deg), place tin in the top of oven for 5 minutes until the fat is smoking (Check fire brigade phone number). Working quickly, remove the tin, pour in batter and return to the oven until PUFFY and golden brown. A large tin takes about 40 - 45 minutes.

This pudding is also the reason for the Yorkshire Accent, because it can stick to the roof of your mouth.

If asked "Are you from Yorkshire?" you reply "No, I have a piece of pudding stuck to the roof of my mouth" - with a Yorkshire Accent of course.

BITS & PIECES

A BIG THANK YOU to the Gawler Council for their donation to this year's Country Music Festival. This money will be used to purchase all of the trophies for the Talent Quest section of the Festival.

An even BIGGER THANK YOU goes to LIVING HEALTH (formerly Foundation SA who will once again be one of the major sponsors of the Festival. So please be healthy (we want you to keep coming to our shows!)

Since moving to Gawler, Glen Footer, the manager of Bell's Family Value Store in Tod Street, has been a strong supporter of the Gawler Country Music Club. He continues to donate prizes for raffles, and also financial support for our concerts promoting local artists. So, all you members, support the store that supports your club.

August 11th will see a free Country Music Concert at Pioneer Park during the official opening of the Gawler Tourism and Trade Authority's GAWLER VISITOR CENTRE by South Australia's new Governor, Sir Eric Neal. Brian Sambell may even sing a couple of songs!

Do you know of any young person who shows promise with singing or an instrument? If you do, please pass their name and details to any of your committee.

Haselgroves Hardware in Murray Street have donated a BBQ set for the club to raffle.

P.S. The Gawler Country Music Club's finances must be in good shape, because our treasurer was seen driving about in a classic MG. Mind you, the car belongs to his son, but it does start tongues wagging!!
