FROM THE PRESIDENT'S MESSY DESK

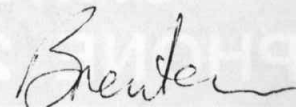

Welcome to the June Newsletter!! Thanks for all of your kind comments about the new look newsletter, and about the club in general. Also thank you Daryl Rowett for taking time out of your busy farmer's schedule to write in with some excellent comments and suggestions.

To those of you who were unable to attend the Variety Concert - you missed a great show. To all members and friends, thank you for your great support of this concert. We now plan to hold more concerts, at regular intervals, for your enjoyment and to promote Country Music in and around Gawler. Approximately 250 people attended, and the next concert (pencilled in for Saturday 31st August) should be a full house!!

Many thanks to Country Bumpkin and all the great artists who performed. Thanks also to the club committee (who ran like the proverbial Swiss watch!) and to Pat Williams and Helen & Keith Warren for all your help before and after the show.

Another local business supporting Country Music in Gawler is GAWLER COTTAGES run by John and Marilyn Nicolson. As part of the Brian Letton Reception co-ordinated by Brian Sambell of the Gawler Tourism and Trade Authority, John and Marilyn donated accomodation for Brian Letton and his band.

The club uses Gawler Cottages for Festival accomodation and apparently Judy Stone, Gina Jeffreys, John Williamson and their bands are still talking about how well they were looked after in Gawler! Thanks Marilyn and John!

OUR MAY SHOW

Once again our monthly show was well attended. Both the Barossa and Adelaide Clubs were represented and a group came from the Hutchinson Retirement Home. We were also pleased to see some old faces amongst the audience.

The Band that entertained us for the afternoon were Country Mile who are a very popular and always in demand. Even though we started at 12:00 and should have finished at 4:00pm, we went over time owing to the amount of walk up artists we had, which made it a full afternoon.

Our special guest was Dennis Verran. He's always a favourite with his easy going style. Bob Edwards paid a return visit and gave us a few songs, Annette Ramsey also did a walk up spot and we were given a sample of the type of music from the Twin Rivers Band.

All in all we had a packed afternoon which from comments we received from our members was by one of the best Sunday's get together we have had.

Our June show will feature Country Roundup plus a couple of guest spots and don't forget that June is also our Annual General Meeting, so have a say about who will be your Committee for the next 12 months.

RECIPES BY GORDON BLUE

After last month's Award Winning Recipe I have been flooded with recipes from club members. Thank you for both of them!

One is for an Apple Cake and the other is "How to get oil off your concrete drive."

The member who gave me the Apple Cake recipe doesn't want to be named and I understand this as she is a very shy - quiet person - so here it is.

THE MARION APPLE CAKE

2oz Butter

1/2 cup Castor sugar

1 1/2 cup S.R. Flour

1-2 Apples

1 Egg

1/2 cup Milk

Topping

1/2 cup sugar

2 Tspoons Cinnamon

1 Tspoon Butter

Method.

Beat butter and sugar til creamy, add egg - then add flour and milk alternately. Peel and slice apples, place on top of cake. Sprinkle on the topping. Bake in a moderate oven for 45mins.

This shy person's husband Bill swears by her cooking. Mention it and he starts swearing!

Tip 1. If it happens to get burnt a little, scrape off with knife and if the family mention the taste you say the fruit is perhaps too fresh.

Tip 2. If you have a piece left over, crumble it up, place on your driveway and brush in - this removes oil stains.

A NIGHT AT THE GAWLER INSTITUTE.

Saturday 25th May at the Gawler Institute was the your Club put on it's first Variety Concert. The support the event received was terrific even though a Line Dance evening was on also at the Recreation Centre. All those who attended this show, I feel sure, would have enjoyed the great line up of local talent.

Our artists were:

- SUE CONWAY - all one can say is "what a voice!"
IRISH DAN - an audience favourite
DALLAS & TRAVIS LIST - two of the most popular young artists
ROB EDWARDS - a smooth voice for the audience to appreciate
NATASHA HIGGINS - did a good job having only recently had her tonsils removed and received encouragement from the audience
DERANI HAYNES - a performer with great promise
JODIE THOMAS - a really confident performer at the age of 13 yrs
SCOTTIE MOAR - move over Lee Kernaghan
LISA REDPATH - a young lady to keep your eyes on
COLIN THOMAS - did backing for Natasha & Jodie plus did a spot of his own

All were backed by one of South Australia's top country bands, COUNTRY BUMPKIN.

Comperes for the evening were Brian Sambell & Ann Moar. They did a great job - keeping the show moving, plus singing a

couple of songs while awaiting the arrival of Irish Dan who was finishing another singing engagement before entertaining our audience.

From the comments and feedback we received from the audience on their way out after the show, it was a big "THUMBS UP".

It certainly proves that we have so much talent in this area and we are going to put it on show as much as we possibly can. This is the aim of the Gawler Country Music Club.

RAFFLE WINNERS at the Variety Concert were:

1st Prize - Shirley Gawen

2nd Prize - Veronica Fiegert

3rd Prize - Mary Lees

Congratulations to all of these people.

Last but certainly not at all least, the Committee wish to thank Darby Hill for the use of his PA Equipment for the night. This was done free of charge and was very much appreciated.

There are various people who helped us on the night with different jobs and to cover everybody and so as not to leave someone out accidentally, a big thank you to all of you as you know who you are.

BITS AND PIECES

Remember - we are now starting our monthly shows at 12 noon which was very well accepted by all who attended and it appears that this will be a popular move considering the winter months that are now with us.

Our monthly shows are now **Smoke Free** inside the Club rooms as one of our main sponsors is Foundation S.A. who promote the Quit Program and they insist that our venues be smoke free. Thanks to the South Gawler Footy Club for their co-operation.

We would like to thank Edna Prider for the lap rug that she crocheted for us to use as a raffle prize. Also a big thank you to all our members who have over the time our club has been in existence, generously donated raffle prizes and trading table gifts for us to sell and help the clubs finances.

Keith Warren is negotiating a sponsorship deal which, if all goes to plan, will provide us with a major prize for the Festival Raffle. Keep up the good work Keith!

A batch of RED club Polo Shirts should be available at the June show. Sizes M to XXXL. These will be sold to members at our cost price of \$22.

Which Committee Member (& newsletter editor) had a fight with his one chook the other day and got hit over the head with a lump of 4'b'2 ?

To all members who have a birthday this month - Happy Birthday to you!

Quote for the month:

TIRED!!

Yes, I am tired.

For several years I have been blaming it on middle age, dieting and another dozen Malady's that make you wonder if life is really worth living.

But I found out, it isn't that at all, I am tired because I am overworked.

The population of this country is 17 million, 5 million are retired. That leaves 12 million, to do the work.

There are 7 million in school which leaves 5 million to do the work.

Of this total, 1 million are unemployed and 2 million are employed by the Government, which leaves 2 million to do the work.

From that total 1 million are employed by Local Government bodies and City Councils which leaves 1 million to do the work.

There are 620,000 people in hospitals around the country and 379,998 in prison.

That leaves 2 people to do the work.

You and me, and if you are sitting on your backside reading this rubbish, no wonder I am bloody tired!!
