Kylie Adams-Collier Story Continues From Last Month

Annie and Shelly helped Kylie to build a strong foundations and a local fan base that still exists today. Annie Arnold continues to support Bellingen music with Cool Music Productions.

She books / hosts and promotes tours and acts and runs a P A service. Kylie also joined a jazz band in Bellingen with musical director and well respected jaz player, Chris Frater , Peter Crane, Michael Daunt , Greg Richardson and Lawrence Pastro were also in the lineup. Zoo Bop performed at two Bellingen Jazz Festivals , Kempsey Arts Ball, Coffs Harbour Food and Wine Fair,

clubs, pubs and private functions. Kylie also teamed up with other singers and songwriters and started the Bellingen Singers, Songwriters and Musicians Society (BSSMS). The group held popular meetings and hosted a monthly concert. Max Throver recorded the night which was aired on local radio station 2bbb fm. Neil Hamilton hosted the evening and for a few years it was a great networking base for local musicians. Kylie met Nigel Harrison at the Singers Songwriters and Musician Society and went on to record a dance track on his album, The Nagual. She also worked with Nigel and Luke Rhodes for a special event at the Cool Creek Café to raise funds for local Bellingen businesses affected by floods. While in Bellingen Kylie was cast as an extra along with many other Bellingen locals for major feature film “ Danny Deckchair .” Kylie travelled to Fox Studios, Sydney and played the part of a Keyboard player in the infamous Macadmia Nut Ballroom scene with Miranda Otto and Rhyslfans. Kylie moved back to Sydney with fresh enthusiasm and high hopes. Roy Payne from the Whitliners approached Kylie and suggested starting a country band. Paul Hayward, Mark Thomas and David Hibbert joined them and they became “ Kitty & The Alley Cats. They played country classics of Patsy Cline, Johnny Cash ,Hank Williams and Linda Ronstadt and recorded an EP of Kylie’s original songs.Kitty and The Alley Cats played regularly at Sydney venues and recorded a live album at the Iconic Town & Country Hotel. Her album “ Bellingen Says Goodnight,” was launched to a sellout crowd in her hometown of Bellingen in December 2014. Locals Vic Manuel and the Vass Brothers kicked off the night followed by locals Liz Rutten , Greg Sale, Emily Vera and Paul Bulanyi who accompanied Kylie for two great sets. Local radio station 2BBBfm promoted the event and AnnieArnold from Cool Music Productions supplied the ambient lightingfor a memorable evening. Kylie entered her song “Pacific Highway “ (track 10 from Bellingen Says Goodnight) into the Tamworth Capital Country Music Associations National Talent Quest. She travelled to Tamworth Country Music Festival and took part in the national competition, performing the song in front of a panel of judges. Kylie made it through to the Jamboree and was given an award for reaching the finals. Kylie proudly wore the

G'Day Members & Friends ,

Well show number two as passed us by, with good numbers through the door. The band was Creation, this is a band we introduced when Les Parris was with us. After a few adjustment to the sound we were off and running. The dance floor was kept busy. We are still working on Registering the new club name, as we needed it to be registered as an incorporate body. We had the club name registered but not as an incorporated. As it's was suggested at the special general meeting in November that we have everything in place for May this year. That will happen. Over the next few weeks I will be looking into getting other artists to come to our venue as they pass through our state. As we now have a good home we need to you it to the best we can. If that means we put on shows on a Friday or Saturday night. We have the hall from Friday afternoon through to midnight Sunday. Moving onto our March show , we will be having Angela Eason & Band with Dean Bird as our guest artist. So until then. Keep It Country Regards To All

gold medal on a gold ribbon throughout the festival, making many friends along the way!! Kylie wrote down her 2015 Tamworth adventures and wrote " Goodbye Dear Tamworth ," dedicated to her new friends and experiences. Over the next few months Kylie sang at local Country Music Clubs, promoting her album while already starting on her next! Kylie was a special guest at the legendary Belrose Country Music Club, Northern Beaches Country Music Club and John Clement,s Seaforth Bowling Club. Kylie co-hosted the Northern Beaches Country Music Club on a few occasions to

help raise money for the fight against cancer. Last year Kylie started a Country radio program called Custom Country on Radio Northern Beaches, promoting local country concerts and interviewing and promoting independent Country artists. This lead to a loyal following locally and through live streaming. Here she met popular radio presenter David Harris who invited Kylie to perform at live air concerts from retirement villages for his program " A Senior Moment or Two. " Kylie has shared the bill with bush balladeer queen, Dianne Lindsay, Peter Simpson, Gareth Rowan and Dennis Aubrey to name a few. While at Radio Northern Beaches Kylie also met another radio presenter, Anne Tomlin. Anne invited Kylie to perform at the Commemoration of the Irish Orphan Girls memorial wall at Hyde Park Barracks. Kylie discovered that her great great grandmother was one of the Irish Orphan girls. She sang the national anthem and her newly written song " When loved ones are near." Kylie was invited to the annual Hank Williams & Patsy Cline Birthday Bash at Canterbury Hurlstone Park RSL ! She then returned in July 2016 to a sellout audience. Canterbury Country is hosted by country legends Bob Howe and Niki Gillis.

In 2015 Kylie visited Bill Beeren on Good Morning Country to promote her debut album " Bellingen Says Goodnight." She went onto co-host the national radio country show with Bill for eight weeks before taking on her own program. After 16 years popular host Declan moved back to Ireland. Kylie applied to host the popular Sunday morning program and got it.

Kylie features mainly Australian independent artists on her weekly program that is broadcasted nationally to local stations through the Community Radio Network every Sunday EST. Kylie is currently promoting and Publishing both her albums, hosting a national radio show, applying to festivals, entering competitions, performing, writing songs, running a singing nanny business, writing children's songs, recording a demo for a children's learning CD, filming ,editing and producing her own music clips and booking interviews with radio presenters.

March Presidents Report

G'Day Members & Friends ,

Our March show with Angela Eason and Her Band was one with a few problems with the sound equipment. They had a new sound desk that they had never used before. But after some sorting out went on to entertain us. Bean Bird was our guest artist and performed very well. It the first time for Dean at our club. Thanks guys for a good afternoon. Well we are progressing slowly onto the name change, which will still happen in May. Our April show will be our Birthday show and the last under the Gawler Country Music Club Name. Helen will be making a new club banner with our new logo on it. She very handy with a sewing machine. We have some great show's lined up for the rest of the year. Well onto our May Show, the first under the new name, we will have Bernie & The Bandits with Amy Lea as our guest artist. **Just to finish off we are a licenced venue, the bringing in of any liquor is forbidden.** We don't need the minority spoiling it for the majority, so do the right thing for us all . So until then. Keep It Country Regards To All Keith Warren President / Entertainment Officer..

Questions That Haunt Me

1. How important does a person have to be before they are considered assassinated instead of just murdered ?
2. Once you're in heaven do you get stuck wearing the cloths you were buried in for eternity ?
3. Why does a round pizza come in a square box?
4. What disease did cured ham actually have?
5. How is it that we put man on the moon before we figured out it would be a good idea to put wheels on luggage?
6. Why is it that people say they 'slept like a baby ' when babies wake up like every two hours?
7. Why are you in a movie but you're on TV?
8. Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?
9. Why do doctors leave the room while you change? They're going to see you naked anyway?
10. Why is " bra" singular and 'panties ' plural?
11. Why do toasters always have a setting that burns the toast to a horrible crisp, which no decent human being would eat?
12. If Jimmy cracks corn and no cares, why is there a stupid song about him?
13. Why does Goofy stand erect while Pluto remains on all four's ?
They are both dogs!
14. If corn oil is made from corn, and vegetable oil is made from vegetables, what is baby oil made from ?
15. Do the Alphabet song and Twinkle, Twinkle Little Star have the same tune?
16. Why did you just try singing the two songs above ?
