April Presidents Report

G'Day Members & Friends ,

Well the City Cowboys entertained us for April, and kept the dance floor full all day. With some country music and a mix of some rock N roll. Well done guys. We had Taylor Pfeiffer as our guest artist who also performed very well. Taylor is a young lady with great talents. As you all are aware this was the last show under the Gawler Country Music Club Banner. As we have said before all of our heritage has been saved, just look at the new name web site and the old will still come up. I must say that our Great helper Ian Fisk. Ian has taken on the web site for us and has worked hard to change things over for us. **Just to finish off we are a licenced venue, the bringing in of any liquor is for bidden.** We don't need the minority spoiling it for the majority, so do the right thing for us all .So until then. Keep It Country Regards To All Keith Warren President / Entertainment Officer..

May Presidents Report

G'Day Members and Friends.

Well our first show under our new name was great. Good numbers through the door but had space for a few more, but overall great day. The music was excellent, although the band cheated a little . They had put a list of songs out on the tables and got everyone to pick the songs. Great idea we never had any complaint that the music was not country. But it was a great choice, the dance floor was busy all day. Great work guys. Our guest artist was Amy Lea, what a great talent, Amy has certainly grown up very quickly and her voice is excellent. Great Job Amy Lea. We also had David Pearce do a walk up, well done David good to see you again. We put plastic bags out on the table for you to put your rubbish in, could you please use them instead of putting rubbish on your meal plate. Help our caterers by using them. Well onto our June Show , The Jukebox Boys will be our entertainment with Tiffney Renolds our guest artist. So come along and join in the fun . Until then. Keep it country. Norfolk Island

There are so many reasons to consider a holiday to Norfolk Island situated a short two hour flight from Sydney or Brisbane and mid-way between Australia and New Zealand.

The beauty of the Island is infamous with its tall majestic pines, high rising cliffs, green undulating valleys, lush rainforest and brilliant turquoise waters over coral reefs. So many arriving visitors are simply astounded by the beauty they find providing countless photographic opportunities. The island has long been a source of inspiration to painters and artists.

Our little island is packed full of things to see and do. World Heritage listed Kingston will take you into the history of turbulent convict years and today's vibrant Norfolk culture (born out of the infamous mutiny on the Bounty) all of which can be explored via tours, displays and even a chat with a friendly local. Encounter our pristine environment via swimming, reef snorkelling and rainforest walks. Our cafes and restaurants offer delicious, fresh, organic meals and local art, crafts, toys, shoes and tax-free items are also amongst shopping highlights.

Many of our visitors experience a feeling of 'coming home' perhaps to a way of life they knew from years ago with a relaxed pace, a sense of quiet, genuine friendliness, attention to life customs and community. On Norfolk there exists a safe place to gently 'reconnect' with yourself, loved ones or friends. At the same time this intriguing island has so much on offer that if you choose, you'll be very well entertained – and busy!

Tours and activities on offer include 4WD tours, Glass-Bottom Boats, eco-tours, progressive dinners to island homes, museums and heritage tours, sunset fish fries, bowls, golf, art trails and cottage industries. Norfolk's fishing is renowned for every trip coming home with a great catch, such as Kingfish, Silver Trevally, Amberjack and Sweetlip (Red Throat Emperor).

There is as much or as little as you'd like to do on Norfolk Island. Whether you are deciding to travel for a special event or another time of year, this South Pacific gem is guaranteed to safely return you home very much satisfied.

Just A Quick Word From The Secretary

Memberships are now due. Thank you to all who have renewed their memberships, it has taken a bit more time for the changeover to happen from the old name to the new name. We are now the Playford Country Music Club Inc. Nothing will change, everything transfers over to the new name. We have extended the time for renewals, you will have until the end of June. A big thank you for being so patient, it helps me. If you have not renewed a reminder will follow in the next Newsletter. A big thank you to the many new members in joining our club. Once again thank you for your patience. Kind Regards From Helen Warren Secretary PCMC

Open Mike

The Gawler Country Music Club Inc Open Mic from here on will be called the Playford Country Music Open Mic. The open mic has been attracting good numbers every month, in saying that we do have room for more to come along and enjoy getting up and having a go in a friendly atmosphere. Although the name says country music it doesn't mean it must be strictly country music, if it isn't heavy metal or rap or something along those lines we are happy for you to come along. The Playford Country Music club open mic are held on the Saturday 11am till 4pm of the same week end as the Playford Country Music Club Show held on the 3rd Sunday of each month, depending on the date of the first day in the month, some Saturdays may fall on the second Saturday of the month and not the third. There is a small fee of Four Dollars to get in the door, with tea and coffee provided with everyone bringing something for the shared nibbles table. We do welcome those who just wish to sit and listen to come along at the same cost of four dollars. No alcohol is to be brought in as we don't have a license to cover us for the Saturday, although we do have a liquor license for our Sunday Shows, **no BYO alcohol** to be brought in under any circumstances. We do limit the amount of songs or tunes you may do, the first-time around is 3 or ten minutes to make sure everyone gets a fair go, depending on how many musicians turn up when the next round starts, the amount may be cut back. Although I oversee the open mic, I could not do it without the help of others as I have a wonderful team of helpers that help with the cleaning up and so forth and a big thankyou to Loraine for taking the money and doing the books, and keeping everyone up to speed for when it is their turn to perform. So why not come along and enjoy the day.

Regards Fred Payne Open Mic Co-ordinator
