## President's Report

Hello Members & Friends,

Here we are 3months from Christmas, and hasn't this year flown by?

Our band for September was the City Cowboys. They were good but there needed to be a bit more country music in their setlist. I have spoken to Peter and he has assured me that will be the case in future.

We had a good number through the door but we need more to cover our costs. As you may be aware the cost of postage will rise in early 2023. To save some cost, we are asking for our newsletter to be picked up at the club show, emailed, posted or taken from our FB or website. We have had some responses so far. If you would like any of these choices, let us know.

Well moving onto our October show, we will be entertained by Eddie & Friends with Malcolm Doyle as our guest artist. Another great day ahead.

Keep It Country

## October President's Report

G'Day Members & Friends,

Our November show went off very well. We had a good crowd who were more than ready to dance.

Eddie & Friends were our entertainment for October. As all ways, they played great music to dance to, the dance floor was busy all day.

Malcolm Doyle was our guest artist and he was accompanied by his mate on mandolin. He played some great music. Well done guys it was a great afternoon.

We are nearing Christmas, Our November band will be the Juke Box Boys. Another great day ahead.

Regards to All

Keith Warren

President / Entertainment Officer.

## URGENT ACTION REQUIRED PLEASE

**Please let us know if you would like to receive our newsletter via email, post or pick up at the club on Club Show days. We will be delaying postage until a week before the next club show. We are looking for some savings as the cost of postage is going up.**

## South Australia

SA Health encourages anyone with COVID-19 symptoms to get tested and stay at home until symptoms have cleared, which, it says, usually takes five to seven days.

If you are COVID-19 positive and you must leave the house, SA Health strongly recommends you wear a mask, especially when indoors or on public transport, and that you do not attend large gatherings and crowded indoor places.

For at least seven days, you should avoid people at high risk of severe illness, or anyone in a hospital, aged or disability care facility.

You must report a positive RAT result online with SA Health.
