Farewell from the Newsletter Editor

This will be my last newsletter as I have decided not to restand for the position at the next AGM. Thank you all for accepting my efforts for the last six and a half years.

It is not something that has been a natural fit for me, and my dog will be relieved that the constant cursing every second month is coming to an end.

I will still be standing to be on the general committee and to sit at the door and sell raffle tickets with Karol. Thanks again and over out from me.

Best wishes to you all.

Chris Scotland

President's Report for June and July

Hello Members & Friends,

Just a friendly reminder memberships were due in May so please renew your membership to keep the club going in the right direction. Like all clubs we rely on memberships because without it we would not be doing what we are doing. If you are not a financial member, this could be your last newsletter.

If you have made arrangements to pick up your newsletter on club show day could you do so as we have some going back 3 newsletters. Thank you.

Well our May show was another great day. Tru-Country certainly kept the dance floor going. Gary Daniel had to keep seated as he had only been out of hospital for a few days before our show. Well done guys we enjoyed the music. I had a late call from Joe Musico saying that he was sorry he could not do our show because his car had broken down and had to have it towed back to Victoria to have it fixed.

Moving onto our June Show, what a great day and with our biggest crowd for this year. We had Key Country. It was great music but some patrons thought it was a bit loud and were more able to enjoy it when the volume was reduced a bit.

Later Key Country were joined by our guest artist, Johnny Florence, and a group of ukulele players as well. Young Johnny Florence is an amazing man at a spritely 91 years of age who has a great voice and belts out songs from the 60's and 70's. A great day was had by all who attended and some people also left some great feedback on our Facebook page.

We will have Heartland as our band for the July Show. So until then.

Keep it Country

Regards Keith Warren

President / Entertainment officer.

Our band for June: Key Country with guest artist, Johnny Florence

We were lucky enough to have ukelele players

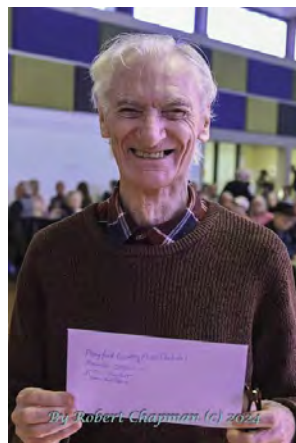

This was the biggest crowd we have had at any of our shows this year. Welcome one and all!

Earlston and Dean Bevis

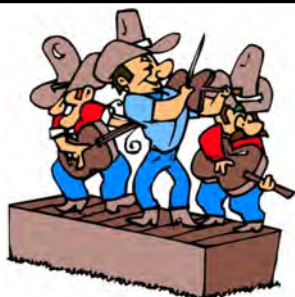

Above: Fred Hugo and his carer.
Far left to right: Ian Jamison, Keith Warren (thank heavens he finally won a prize :-)) and Michael Hansy

Our June Monte Carlo winners were Lyn & Arbon

Lucky winners of lucky squares and raffle prizes were Mary, Rae and June.

JUNE SHOW.

All I can say is "WOW" what a super busy day we had in the kitchen. I'd like to thank you all for buying our meals and for all the wonderfully kind words you shared with us upon returning your plates/cutlery. I was experimenting with the replacement of the fish and chips option with my Tuna Mornay and it was very encouraging to hear the meals were enjoyed. We really do work extremely hard to make sure you have the best quality meal that we can provide.

There were 165 people that attended in June and it is really hard to judge how much food is needed each month. There is no way of knowing how many people will turn up on the day and this makes it difficult to cater. But I try my best to make sure everyone has a meal. The tricky part is needing to supply enough food for the busier days of 165 people but also the quieter days of 120 patrons and still make sure there's minimal food left over. The struggle is real and I stress each month on whether I have enough.

I am sorry if you missed out on one of my sandwiches, they sold out in record time. I supply the same amount of sandwiches each month and other months I may have a few left over at the end of the day but surprisingly this time they were the first things to go. I would suggest getting in quickly if you're attending the July show, so you don't miss out.

Matthew and I arrive at the club very early the day of the show to prepare all the veggies we serve to you. The sandwiches are made fresh the morning of the show, this way you get the best version of these fully loaded sandwiches.

It makes me giggle when I hear the things being said while Victoria is serving you. (My back is usually to you as I am dishing up the plates as they're ordered.)

"Just a small plate of chips"patron

"Nope, sorry we don't do small" Victoria's response (she really has adapted to our little family quite well.

I also noticed that people were still asking for hot food after 1pm. I understand that the line-up for food can be a little intimidating but I really must emphasize how important it is for us to turn off the fryer as early as possible to allow the oil to cool off so we can handle it safely whilst we are emptying the vessel. If we still have a line of people needing food at 12.30pm of course we will continue to cook, but it is important that we turn it off as soon as we can. As part of the conditions for hiring the kitchen space we are required to leave the space clean. We take it upon ourselves to always leave the kitchen cleaner than how we found it. So emptying the fryer and flushing it takes a fair bit of time in the cleaning process. Please be aware that I always clean the kitchen before we use it just in case it wasn't cleaned as thoroughly as we like it. Food safety is our priority.

We sometimes have left over food that is packed into take away containers that are available at a discounted price after the desserts have been served. Keep an eye on the serving counter for these cheap take home meals.

See you at the next show. Fiona
