Keeping the Humour Country

1. How Many Country Singers Does it Take to change a lightbulb?
Two. One to do it and one to sing a song about all the good times he had with the old light bulb.
2. A guy walks down Music Row carrying a guitar. A car pulls up and a tourist asks, "Excuse me, do you know how you get to the Country Music Hall of Fame?"
"Yeah," the man spits out. "Practice 'til you're dead!"

Presidents Report for July & August.

Hello members and friends,

Our **July** show was excellent with good numbers through the door, the day went off very well. Heartland was in fine form playing a great range of music & the dance floor was packed after each break the band had.

We have had 2 months of great numbers through the door. I think Covid-19 is not as harsh as it was. Many people said what a great day they had. Moving onto our **August** show, not as many through the door but still a good number. Out of order were great, they played a lot of older songs with some newer ones thrown in. A great day was had by everyone.

Our AGM was held before our August show. The only change is Chris Scotland stepped down from Newsletter Editor to General Committee. Chris has been our Newsletter Editor for the past 6 years. Over that time Chris has done a great job. She was equal to the challenge although she found it frustrating at times, she still got it done. Her little dog will be happy as now there will be no cursing when her computer doesn't behave itself. A huge thank you and well done Chris for a great job over the past 6 years.

Beth Huggins has taken on the Newsletter Editor role. I don't know if you have noticed the change in the printing of our newsletter. We are now sending it to a printer which has improved the overall quality. Our Photo Copier is on its way out and it was cheaper to have it printed elsewhere than replace the photocopier.

Kevin Perry has been in the RAH having major surgery on a large skin cancer on his neck. He has been in there for a week. Get well Kevin. Both Kevin and Bernadette James are both still on the Committee.

The Roger Howard award for this year was won by our Secretary Helen Warren. Helen has been on the Committee as long as I have and has done a great job. Well done Helen.

Our Next show we have Just Mates Hoping for another great Day. So, until then Keep It Country

Regards to all.

Keith Warren President / Entertainment Officer.

Laughter is good for the soul

Married at First Sight

Unfortunately the jumper cables are getting a divorce. *They just didn't have that spark!*

Did you hear about the two mobile phones that got married? **The reception was terrific!**

Two Florists recently got hitched. **It was an arranged marriage!**

Did you hear about the two spiders who just got engaged? **I hear they met on the web.**

For the love of Family

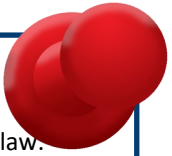

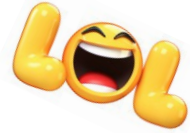

Seamus O'Shawn went on an African Safari with his wife and mother-in-law. One morning the wife awakes to find her mother missing.

In a worried state, she wakes Seamus and they both go looking for her.

Suddenly they come to a clearing where they find the mother-in-law standing face-to-face with a ferocious lion.....

"Quick Seamus, do something!" Screams the wife.

"Oh no, no" says Seamus. *"The lion got himself into this mess, he can get himself out!"*

I love putting on warm underwear, fresh
Out of the dryer.

Plus, it's fun to look around the laundromat and guess who they belong to!

I decided to make sure my wife woke up with a smile on her face this morning.

Now I'm not allowed to have texters in the house anymore.

My dad use to say to me "When one door closes, another will open."

He was a brilliant philosopher..... But a terrible cabinet maker!"

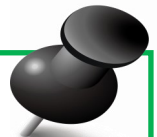

Film Director:

You've been offered a role as a husband who's been married for thirty years.

FIONA'S TUCKERBOX

JULY SHOW. Heartland is such a great band. I was impressed by the amount of people at the show and by the amount of food we went through. 10kg of Mashed Potato, 100 Sausages, 3 Litres of gravy, 2.5kg of cream cheese (for those delicious lemon cheesecakes) 45 pieces of fish and 45 sandwiches. I must say the cheesecakes were a hit and sold out very quickly, I'd like to thank one of our members (Bill) for supplying the lemons for the cheesecakes and Bruce (Our Treasurer) for bringing lemons every month for the fish/chips option on the menu.

You may have noticed my 2 boys were MIA again this month. They were at RAAF Base Edinburgh leading their Cadets for an event, so our kitchen was missing them but we had Victoria who managed to serve you all and help us with the clean-up. My little team is amazing. You may have also noticed our new signs. One at the kitchen door, "NO ENTRY" (we have to keep the kitchen hygienic so there is strictly no entry) and the one on the counter after lunch service is to remind everyone that Desserts are served at 1pm until sold out.

AUGUST SHOW. This is our birthday month so it is always a busy month for us. When I say "Our Birthday" I mean 3 out of 5 of us all have our birthdays in the one week. Myself (26th) My eldest Michael (27th) and my youngest Anthony (31st) Thankfully the other 2 are either end of the year. Even though I am crazy busy I still managed to make you my version of Cottage Pie, Cakes and Butterscotch pudding dessert. My homemade cakes seem to be selling a lot better than the supermarket ones I used to buy, Thank you, and the butterscotch dessert with that decadent sauce on top was a real treat.

I made a few jars of Lemon Curd with all those lemons that were donated, which were for sale this month. Thank you to those who purchased them.

We had a full crew this month too which is always wonderful. My boys didn't have other commitments this time so jumped in to help us out.

It was so wonderful to see my Mum (Secretary for the club) be awarded the Roger Howard Memorial award. She really does so much to keep things running smoothly. Both Keith and Helen work tirelessly to make sure you all have enjoyable monthly events to attend. Well Done!

Our July Meals

My Lemon Stash.
Thanks Bill!

See you at the next show.  Fiona
