President's Report for January & February 2025

Well here we are again the start of the new year 2025.

Our January show was a great success. With great numbers though the door for the first show was brilliant.

We had Key Country Topped up with Johnny Florence. What a great day, great music from the band and Johnny Florence. Johnny was about to retire but the demand for his services has increased.

For a guy in his 90's he is brilliant.

We move onto our February show with Highway One. This too was another great day. Once Again, we had great numbers through the door.

We have not had highway One for a long while, it was great to have them back again.

I do apologies if we missed anything on the weekend, we were a little understaffed as we had 4 committee people short, but with the help of Bev Jones and Judy Fairhead we managed to get through. Thanks Bev & Judy for your help.

A big thank you must go out to the kitchen staff as they too were short-handed. Well-done Fiona Matthew and Michael, great job.

Moving onto our March show with Workin Overtime with Special Guest Troy Dann. This will be a great day. So, until then.

Keep It Country.

Regards to all.

JANUARY - FEBRUARY SHOW.

JANUARY SHOW. There is never a dull moment in that kitchen. The council decided to start the new year by throwing us a curve ball by removing the deep fryer (without any notice.) Late Friday I got the call from the Club President to inform me of the situation. We had 24 hours to rally around and fix this problem, the best way we could. I sent Matthew on a goose chase to purchase mini fryers. We managed to get 5! We arrived very early Sunday morning to set up a spot to use our new appliances and after a few hiccups and delays we were on our way to supplying meals again. Sadly we will have to continue in this way in the coming months so your patience and understanding is required if meals are slightly delayed, as we can only cook in small amounts now. We did manage to keep up relatively well though which was a relief. We do work as quickly as we can. I actually sold out of everything this month due to the amount of people attending. It was a great outcome.

On another note it was my Mum's Birthday on the day of the show (Helen. Secretary) and the look of surprise and joy on her face when her Grandkids arrived with flowers was absolutely priceless. Happy birthday Mum, I hope you had a great day.

FEBRUARY SHOW. ***LOOKING FOR LEMONS!** If you have a lemon tree that the fruit is not being used, I will gladly swap a jar of my lemon butter for donations of the fruit. I will make a note of your name and supply you with a jar at the following club show. Thank you!

We are still ironing out some kinks with the new fryer situation, but with each show we seem to figure out something new and will modify the following month. Hopefully with the March show there will be less issues.

We were extremely stressed this month as Anthony and Victoria were missing. You may have noticed Michael and myself jumping all over the place to get things sorted while Matthew took your orders. Victoria will be away for the next 3 months while she completes her training for the ADF! (Australian Defence Force) We are so very proud of her achievements and will struggle without her presence. We will manage though.

The Menus I provide over the next few months will revolve around easy of service as we will be limited to staff assistance. I will do my best to make them delicious still. March I will be experimenting With Chicken Pot Pie so be prepared for a yummy hearty meal.

IMPORTANT !! It is wonderfully helpful if you return your used plates/bowls and utensils to the kitchen after use, we don't have the staff to go around collecting them.

Thank you. Regards Fiona

Thank you!

Wow, what a wonderful write up in your Club newsletter to the memory of Barry "Bones" Warren and his Community achievements.

Dad achieved a lot in his life, and it's fair to say that the Eastern Park Football Club was his life and his passion, family would say it is his fifth child and his favourite ??

But, for all that Dad did in the community space and his passion and commitment to his beloved footy club, this was also equalled for his love and passion for Country Music. Growing up in our household we always had at some stage during every day the great Slim Dusty playing in the background around the house. He played Country music constantly in an effort that us kids would also get to like it, I remember him introducing us to the comedy country song by Slim Newton, yes we all remember it, "There was a redback on the toilet seat", he played it constantly in an effort to get us enjoying Country music, and it's fair to say it worked, as most of us today enjoy listening to Country music.

I know Dad enjoyed his time as a member of the PCMC, as it combined his passion for Administration, Community and Country music.

In 2012 Dad decided that after 50 years straight after giving his time and effort to the community, it was time to retire, I am glad the PCMC was a part of his life and journey.

Dad passed away peacefully on the 19th of March 2020 fittingly enough the day before the great Kenny Rogers, I'm sure Dad went first so he could arrange the arrival of Kenny Rogers and put the final touches to a Country music concert through the pearly gates.

Again, thank you to the PCMC Executive and General Committee and its Members.

As my uncle would say, "Keep it Country"

Please feel free to share this with your members.

Kind regards, Steve Warren
