Presidents Report

As you know I have been missing for the last couple of months due to me having a bug in my system that kept me in hospital for 4 weeks. I had a form of Blood poisoning caused by infected pads put into my right knee during my last knee replacement surgery, which took its toll on me. I am on the mend but it's a slow process.

Anyway, our shows have been going on. Beth Huggins stepped in for me and did a bloody great job. Well done Beth. It also helps when you have a good committee to work with.

I only saw a couple of hours of our February show with Workin Overtime with Scott Dann. But what I saw was a good attendance with Great Music.

Moving onto our April show, I was there for the whole day. Our band was Synergy with our special Guest Allan Webster. With great numbers through the door and with great music the day was great. Thanks guys, we enjoyed the day.

Our May show will be with the Juke Box Boys They are always good to listen to. So until then. Keep It country

Regards To All Keith Warren President

FIONA'S TUCKERBOX

MARCH SHOW.

G'day friends,

I don't have much to report this month. We had a full team again which was great. A big thank you to my kids for going above and beyond again. Michael was there all day again to help his grandma (Helen) while Pop (Keith) is still out of action, and to Anthony and Victoria for being their Pop's taxi for the day, collecting him and returning him home safe and sound. It was great to see Keith at the club even though it was only for a few hours. His recovery will be long and tiring.

Today deep cleaning the kitchen before we used it was exhausting, but I do like things in order before I start preparing your food.

The Milo cheesecake was another experimental recipe that I concocted myself to use up bulk ingredients that I had given to me. I appreciate the donations and will use them at every opportunity. It was received well and the feedback was wonderful. Thank you.

We did have flyers up stating our meal prices will be going up next month. We have held off for as long as we could but with all the food price rises and now the petrol fiasco it was inevitable that we had to increase the amounts. April will be the new prices.

APRIL SHOW.

Today we implemented the new prices for the menu. Thank you for your understanding and continued support. I really appreciated the few comments that were made in regards to the pricing, saying that they are "reasonable." I do try to keep things affordable.

It was great to see Keith back in the swing of things today. His recovery is going well with each day seeing signs of improvement. What a relief!

We had a full kitchen today, all of my family were available to help which makes my life slightly easier for a few hours.

I also had some homemade jams available which sold well. I do have a few left over so they will be available next month. Pineapple Jam and Peach Jam (Marmalade sold out) They are \$5 each jar or any 2 for \$8

A couple of gentle reminders!

Please return your plates and cutlery as early as you can, we need to wash everything, re wrap the cutlery and stack the plates away before we clean the kitchen. All of this is essential and time consuming so your help is appreciated.

The times we have stated on the menus for meal availability eg. Main meals (12-12:30pm) and Dessert (1pm until sold out) are "Guidelines." We do try to stick to these times as much as we can to keep everything running smoothly, if there are people still lining up at 12:30 of course we are going to keep going, we had 152 people through the door this month and as you can imagine, serving that many people takes time. If we have more people to serve at 12pm for mains we will be delayed in the clean up and the preparation of desserts, which will result in a slight delay in the dessert service. It might be slightly after 1pm when we are ready to serve you. Life just takes over some times and patience is a virtue!

See you at the next one! Fiona

Since there was no recipe from Fiona this month, I decided to give you one of mine. Winter is on it's way and there is nothing like a bowl of hot soup and buttered toast to not only fill you up, but to keep you warm from the inside out. This recipe is also quite economical and doesn't use a grocery store full of ingredients. This soup, despite the garlic content, does not taste garlicky, it blends into the overall taste giving a nice irreplaceable depth of flavour.

Tomato Soup

From Beth Huggins

2 x 400g tins of crushed tomatoes (you could use chopped or whole canned tomatoes)
1.5 cups water
1 medium onion, peeled and cut into wedges
2 cloves garlic, crushed or grated
1.5 teaspoon salt
1/2 teaspoon fresh ground black pepper
1 teaspoon sugar
1/2 tsp garlic powder
1/2 tsp onion powder
1 tablespoon tomato paste
3 tablespoons unsalted butter (60g) (absolutely vital to the creamy taste)

Add everything into a saucepan, and bring to a boil, turn heat to low and simmer gently for 40 minutes.

Use a stick blender to blitz to a smooth soup. (a food processor or blender)
Soup is now thick, creamy and ready to serve.

So very yummy!

This has to be one of the best quick and easy soups to make. So if you like a nice rich tomato soup, give this one a go!

From the Vice-President

I admit that I haven't yet, found any 'Vice' yet but I'm still Vice-President until August's AGM so there's a bit of time left to do so.

While you our members may find my constantly going on about our club's future, somewhat BORING! I feel I need to do my very best to get the message across to everyone that it now down to you our financial members.

Some people are slow in renewing their membership, and while we fully understand that 'Life Happens' and that we don't know or need to know your personal situation, it's imperative that to attend the AGM you **MUST BE A FULLY PAID-UP FINANCIAL MEMBER!** Otherwise, you will be standing outside the hall until the AGM is concluded.

I have been asked by several people about becoming president, While I'm honoured you even think I could step into the huge shoes being vacated by President Keith Warren, I can not take on that role.

Bob and I will remain financial members, we will continue to support the club, but it will be as non-committee members.

So we are back to the Elephant in the room.

WHO WILL BE PRESIDENT?

WHO WILL BE SECRETARY?

Time is getting short to make these VERY IMPORTANT decisions.

We are all aware that our membership is not on the 'Young' side of life. But Bob is over 80, I'm coming up to 80. So don't let age be what stops you from putting your hand up, if you feel fit enough, Step up. Please! step up.

As previously stated,

IT'S UP TO YOU.

Here ends this month's sermon by the President of Vice.
