### A Woman's Way

An enterprising **Unley** woman who wanting to earn some extra money decided to hire herself out as a "**Handy-Woman**" and started canvassing her local well-to-do **Unley** neighbourhood.

She went to the front door of the first house, and asked the owner if he had any odd jobs for her to do.

"Well, I guess I could use somebody to paint my porch" he said. "How much will you charge me?"

The **Unley** woman quickly responded: "**How about 50 dollars?**"

The man agreed and told her that the paint and everything she would need were in the garage.

The man's wife, hearing the conversation, said to her husband: "Does she realise that our porch goes all the way around the house?"

The man responded: "That's a bit cynical, isn't it?"

The wife replied: "You're right. You can always trust a woman to be understanding and to do a good job."

A short time later, the woman came to the door to collect her money.

"You're finished already?" The husband asked.

"Yes," The woman replied, "And I had paint left over, so I gave it two coats."

Impressed, the man reached into his pocket for the \$50.00 and handed it to her.

"Bye the way!"

The woman said, "It's not a Porsche, it's a BMW!!!!!"
