

## WANTED by TIFFNEY

Hi Everyone

I have added a forum to my website.

[www.tiffney.com.au/home.htm](http://www.tiffney.com.au/home.htm)

I would like my website to be used to promote performers, festivals, venues, and non-competitive opportunity especially for juniors.

I know from my own experience that finding information on where to get chord charts, the what, where and when of festivals.

Advice for young performers and their parents is non-existent unless you have already a great network in place.

We all start out in the same place and I find that I am now getting asked lots of questions as we travel around the countryside. I would really appreciate your support in making this website the first step in sharing information and expanding the network that was started for me at Camerata last year.

As a young performer, I realise now how hard and sometimes lonely you can get and the help that I have and am still receiving is invaluable. We all have something to share.

Cheers an thanks

Tiffney

## Our Own Stories

### Slim Dusty's Dream

Just as Banjo Paterson took the Australian bush to the world, so too did **Slim Dusty**

During his 60 years 'on the road' entertaining Australians everywhere, Slim Dusty took the culture of the Australian bush to ordinary people.

Slim dreamt of a centre where his memorabilia could be displayed, and where visitors could be involved in an interactive journey through the heart and soul of Australia.

At our **Gawler Country Music Club's** Annual General Meeting this year it was democratically voted that our GCM club will continue to support the **Slim Dusty Foundation** fundraising initiative.

**Our Club will run The Slim Dusty Tribute Show in September of each year.** The funds raised will go towards The **Slim Dusty Centre** to be built in Kempsey, NSW, **Slim's** hometown.

With your support and the support of others **Slim's dream will come true.**

**\* This month Gawler Country Music Club donated \$2500.00 to the Slim Dusty Foundation. To all club members... Well done!**

Following on from what has been a spectacular year, **Troy Cassar-Daley** is touring the **Mid-West of the USA** with **Tommy Emmanuel.**
