Kitchen

Grace is in the kitchen this month. I'm told her date Diamonds are yummy

Date Diamonds

Filling

400g Dates Zest of half an Orange and Lemon 30mls Brandy or Anisette Liquor 3/4 cup chopped Almonds or Walnuts ¹/₄ cup Water

Place chopped dates with water in microwave proof dish. Heat through, then mash adding other ingredients for filling.

Pastry

400g Self raising Flour 100g Margarine 50g Sugar 1 Egg Pinch Salt

Make a soft dough, roll out into 4 in strips, place filling in the centre, fold one edge then fold again, (similar to a sausage

Cut into diamonds and bake in oven till golden.

I'm lazy I used 4 sheets shortcrust pastry, cut each sheet in two.

Blabbering Beccy

Whenever Australian country queen **Beccy Cole** takes to the stage, she's always careful to heed the advice of another gorgeous blonde country star – **Dolly Parton.**

"Dolly Parton used to say, when you're putting on a show, 'make 'em laugh, make 'em cry, scare the s--- out of them and go home',"

Beccy says "I think putting on a 'show' is important; it's always been about cheers and tears for me."

Beccy is now performing the music from her latest tell-all album Songs & Pictures, her most intimate and honest work in nearly 20 years as a recording artist.

Beccy says the new work is about wearing her heart on her sleeve – something she thinks her audiences appreciate and can relate to.

"I think people like a story, especially in my style of music," she says. "There is one song called Waitress. It's about the underdog and I think it's something a lot of people can relate to."

"Songs need a journey, so I like to give a bit of background," she says. "I have been known to blabber on a bit, though (laughs). If I talk too much, tell me to shut up and sing."

Mmmm Brian M Goes Shopping

There was a bit of confusion at Coles last week.

When I was ready to pay for my groceries, the cashier said, "Strip down facing me."

With some hesitance... I did just as she had instructed.

When the hysterical shrieking and alarms finally subsided, I found out that she was referring to my credit card.

I have now been asked to shop elsewhere.

They need to make their instructions to seniors a little clearer!

Do you agree?

Or am I the only one who misunderstood? Mmmm!

You are awful!
