

That Woz the Day That Woz!

16th November 2008

The Creole Cowboyz attracted a good crowd this month. Their lively performance had our new and regular visitors enjoying the line dancing and foot tapping.

The vocal harmonies and music were good.... However, not always heard very clearly... as their new sound system was out of whack!

Their selection of songs and the **musical chairs** antics, exchanging musical instruments, certainly added to the day's entertainment.

Our smiling washboard player (Front left of pic) as usual was the focal point of the performance, adding that touch of 'on-stage' glowing enthusiasm.

The dance-floor became busy and some dancers were performing dances I haven't seen before.

Never before has our **Monte Carlo** event had so many participants. The lively action of **The Creole Cowboyz** had everyone filled with energy and ready for anything.

Thanks **Creole Cowboyz** for putting on a good show.
