### Hi Folks

No doubt we have all experiences those times that are ... **life-changing**.

For me, one of the most satisfying times is when I was fortunate enough to become involved in music yet again after a break of thirty plus years.

Having experienced a series of life's misfortunes, music brought me back to life again with hope, determination and a passion that will stay with me hopefully for evermore...

It is thanks to **George Dobie** and **Gawler Country Music Club...** new opportunities were presented to me in times of need.

Thanks to **Fred Payne** and **George I** became involved in **playing** music; and also took on the role of **Newsletter Editor**. Meeting many people and making new friends along the way has been so rewarding.

**Thank you to Country Music and Gawler Country Music Club!**

For a number of years I played bass guitar with Australian bands **Us Blokes** and **Kindred Spirit**. I give credit to them for giving me a much needed purpose in life during difficult times.

Besides being an enjoyable pastime, **Music** can be life-changing, life saving and rewarding in many different ways.

I'm sure many of you, our club members can provide interesting information on what **Country Music** has done for **you**.

I and our Club Members would love to hear your story.

Best wishes, and see you soon.

## President's Report

February 2013

G'Day Members and Friends.

Well another show has slowly slipped by and what a great day it was. We had **Midnight Special**, always a great fun day with **Warren Johncock**. He has a big trivia book that he must look at in the week leading up to their shows. We were also surprised when half the guest artist from **Alcheringa** came along and all did a walk up. This made it a very special day. **Campfire Country, Des Morgan, Alec Beckert, and Len & Jean Connor and Ross Baker**. What an unexpected line up. Thanks **David Williams** for bringing them along. It's great to see Les back on board; he has been in hospital but is back on the mend. Well onto our March show we will be entertained by **Kindred Spirit** and Special Guest **Guido Davis**. Guido has not been at our club before and is looking forward to coming over. Just in finishing I would like to thank everyone for being patient with our new caterers. They are doing a very good job.

So until our March show.

Keep It Country

## Lowest Fees!

Gawler Country Music Club has kept its Members monthly entrance fee to \$5.00 while other clubs are charging \$6.00.

We also provide significant cash prizes to our Artists each year to achievers in our Talent Quests.

Our club also makes cash donations to worthy community organizations.

This is made possible by the support we receive from you our Club Members, our Sponsors and by a conscientious Committee who donate hours of their time.

Our organization has grown over many years without applying for State or Federal Grants. However, we may need to look at ways of covering our growing costs.

We welcome additional Sponsors, Club Members and Committee Members.
