### Country Heroes

At the Slim Dusty Tribute Show Jack Daly on the left announced that his wife Nora Daley had recently passed away. Nora was a great follower of Country Music and attended our club on a number of occasions. She was an enthusiastic dressmaker who loved making up fancy shirts.

Nora took great pride in helping out when she could, and she was happy to provide young artists including Eliza Parker with some of her stage wear. Unfortunately we don't have a pic of Nora.

Our condolences to Jack, friends and relatives.

Sadly on Sunday 12<sup>th</sup> September we also lost Lorna Molloy a regular at our club. Condolences to Lorna's family and friends.
